

INGL

Minicorso Ricchezza

EIGHT

Summary

1. Winning beliefs

Often the convictions that our culture transmits us are to the base

of our way to manage the money...

2. Staircase of the success

Very important it is to have the clear ideas on where we want to go, on her

direction to be undertaken...

3. Objective

To plan his/her own objectives and his/her own destinations is essential, both for not

to leave to passively be transported by the life, both to create an autostima

based on clear positive references and determined...

4. Line of the time

We try to think our life as a line, that from the past it goes

toward the future, passing for the present...

5. Monthly salary

How much we want to earn a month to be able to say to be rich?

5.000 European? 10.000 European? 20.000 European? We establish our figure...

6. How much are we worth?

And' easy to establish how much we want to earn in one month for to feel us

rich. Less easy it is to establish how much we are worth...

7. To follow the talent

If the job is not amusing, if the job doesn't mirror ours passions and our talent, won't last very...

8. To specialize

After having discovered what it is that it impassions us really, we look for of

to understand what it makes us only. What it is that difference does
between the and we
our
competing?

9. Without limits

One of the most extraordinary qualities of the independent jobs are
not the
possession
limits of economic growth...

10. Dependent or Independent?

How many times his/her parents have told that we must study for
to find

a sure job, and then it stuffed a family and then to buy us house?

HIM MA TO DO THIS IT VUOLE QUALCOSALTRO

HERE THAT IT TAKES

An AUTOPILOTA Che Works 24 Hours On 24

FOR NOISENZA-

OTHERS SO MANY WORDS THAT I DON'T SERVE TO
ANYTHING

For CONVICERTI E In Reality Not Cè Niente From
CONVICERE Perché is Reality

GOING TO THIS PAGE

<http://digilander.libero.it/ottomemoo/SPAGNOLA.html>

YOU WILL FIND IL ALL TO CREATE YOU YOUR
AUTOPILOTA

What he/she will also work for tea 24 hours on 24 when we sleep And
with little expense

Hi and good job
