

It was a warm night, and I sat on the porch with my hands on the cock in me saw waiting for something to happen to make my cock found its proper home.

Shortly after my wife appeared.

She wore a tight white skirt and I love the tight skirts, especially when you can see her slip from the slit ... my wife that night was not wearing panties.

He sat in front of me swaying in a provocative way and soon showed his ass to 90 ° to make me understand that he would like very willingly my dick up her ass.

I raised with one hand a piece of the slit in her skirt ... I saw the hair without panties and the provocative lace of the black slip she wore.

I was excited like a bastard.

Then I put a hand in my pants and pulled out my turgid cock ready to break through.

Unceremoniously put her to the doggy position against a couch, with a quick movement of the hand I lifted the skirt and the black slip and after having divaricated her ass I broke the ...

My wife screamed with pleasure while I was going up and down fucking her ass mercilessly!

The females have to fuck them so. And

when they scream is a true

What would you do to a whore like my wife?
