THE BARDOE FAMILY COBHAM and NORTHFLEET, KENT

page 1

NOTE

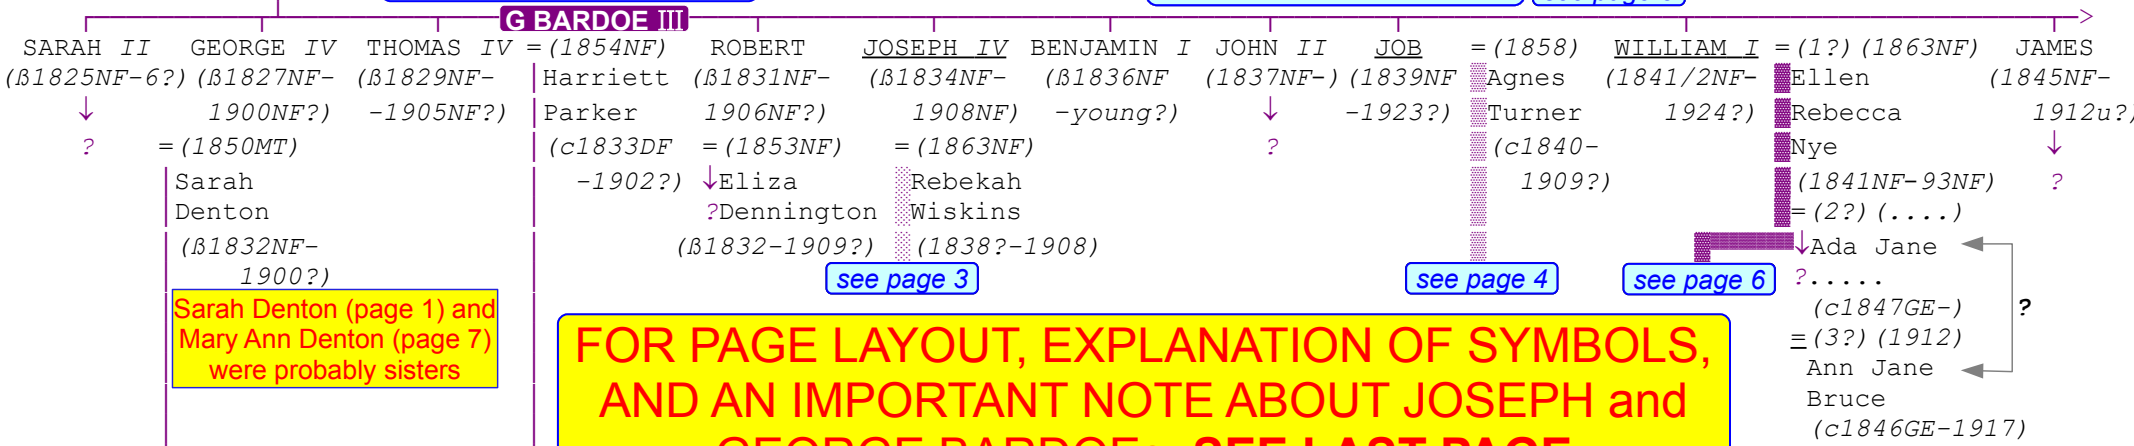

- the author previously considered Joseph I and George III's families as the Elder and Younger Lines respectively, but since the images of the baptism records have come online, it is apparent that George III was older than Joseph I, so George III's family is now considered the Elder Line, and Joseph I's the Younger Line – the tree has been rearranged to reflect this
- this is only a simplified family tree, designed primarily to show the author's ancestors and the large Bardoe family, but is by no means complete or fully updated - up-to-date information can be found in various trees on Ancestry and GenesReunited

this may be Walter Bardoe (1867-1923), son of Thomas Bardoe IV (page 2), but no Bardoe/Ingram marriage record can be found, and Walter was unmarried in 1911

STANLEY ASHDOWN BARDOE (page 3)
Stanley Ashdown's probate details name a "Lilian May Stevens, married woman", no relationship – this is presumably his sister Lilian May, but her married name was Bailey – a Lilian M. Bailey married Q4 1964, Dartford, Kent R/D (so the area is right), John W. Stevens, so this may be her 2nd marriage – there are too many deaths for "John W. Bailey" to find whether Lilian May's husband died before her - a Lilian May Bailey, born 10 APR 1892 (Lilian May was born Q2 1892) died Q3 1970, Dartford, Kent R/D – this may have been her – various trees on Ancestry give her death as SEP 1986, Weston Super Mare, Somerset R/D, born 2 MAY 1892, but they may all have copied it from one another - but as both Bailey and Stevens are common names, it is impossible to find which death record is hers – it seems strange that both men were called "John W." - they could possibly even have been the same men – the name "Stevens" in the probate details could even be a misprint for "Bailey", etc.
