

Baia MARACOL, Isola di UNIJE Croazia

Informazione utile per chi volesse dar fondo in questa baia:
se non volete dar fondo all'ancora, a 150 mt dai gavitelli in acqua, troverete un ormeggio con tre cime pronte sul gavitello, due bianche per la prua ed una colorata, tipo mooring, per la poppa. Numero 50 Boe, costo 13HRK/metro.

The image shows a map of Uvala Maračol with two mooring lines, A and B, marked in red. A compass rose indicates orientation. A technical drawing titled 'DETALJI A I B' shows the mooring layout at a scale of 1:500. It features two rectangular mooring areas, one labeled '1' and the other '2'. Area 1 has dimensions 10.5m by 10.5m and contains three ropes. Area 2 has dimensions 14.5m by 14.5m and contains three ropes. A central dimension of 25m is also shown. Below the map, the text 'Uvala Maračol' is written in a large, bold font.

**Lift the buoy .
Beneath it are three
ropes.
Secure the two thick
white ropes to the left
and right clamp.
Pull the thinner colorful
rope to the other side of
the boat and tighten.
