**dèvòt** - n. and adj. (pr. \ d<sup>è</sup>v'ot \) - See **devòt**.

**dì** - 1) - n. m. (pr. \ di \) Inv. at plr. - **day**. Some common way of saying with this word: - A) - "*al dì d'ancheuj*" = lit. "*at the day of today*" = "*nowadays, at present*". - B) - "*l'autèr dì*" = lit. "*the other day*" = "*the day before yesterday*". - C) - "*a la ponta dèl dì*" = lit. "*at the point (tip) of the day*" = "*at sunset*" or "*at day break*". - D) - "*eut dì a ancheuj*" = lit. "*eight days to today*" = "*eight days ago*". - E) - "*ant èl bon dèl dì*" = lit. "*in the good of the day*" = "*at broad daylight*". - F) - "*di 'd travaj*" or "*di 'd lavor*" = "*working day*". - G) - "*di 'd festa*" = "*holyday*". - H) - "*di 'd màir*" = "*fish-day*".

**dì** - 2) - vrb 3<sup>rd</sup> con. trs. (pr. \ di \) - **1) - to say, to tell. 2) - to speak.** In this sense see also the term "*parlé*". **3) - to narrate, to tell.** In this sense see also the term "*conté* 6<sup>th</sup> meaning". - **4) - to declare.** In this sense see also the term "*diciaré*". - **5) - to express.** In this sense see also the term "*esprime*". There are many ways of saying with this vrb. Here some examples: - A) - "*dì a paròle longhe e larghe*" = lit. "*to say at (with) long and wide words*" = "*to speak very clearly and directly, to speak without beating about the bush*". - B) - "*dì curt*" = "*to say shortly*". - C) - "*dì a stim*" = "*to evaluate approximately*". - D) - "*avèj da dì (con quaidun)*" = lit. "*to have to say (with sb.)*" = "*to be at variance (with sb.)*". - E) - "*dì che 'd sì ; dì che 'd nò*" = lit. "*to say that of yes ; to say that of no*" = "*to say yes ; to say no*". - F) - "*torné a dì*" = lit. "*to come back to say*" = "*to repeat*". - G) - "*a dì gròss*" = lit. "*to say big*" = "*at the most*". - H) - "*a dì pòch*" = "*to say the least*" = "*at least*". Then we note the expression "*ch'a disa!*" or "*ch' a dia!*" which is the 3<sup>rd</sup> prs. of the present subjunctive and present imperative. In Piedm. this expression has the value of the English "*excuse me (sir /madam)*", while introducing a question to a not known person. E. g. "*ch'a disa monsù! a va bin da sù pèr piassa Castèl?*" = "*excuse me sir, is it the right way toward Castle square?*".
