# MAIL4FREEDOM

Our Micronation-Art is born in 2004 as a mail-art project.

Now, after 7 years, we have a real Government with 9 Ministries.

Every year we print stamps, we have our currency, a national anthem, and a Passport.

Please see the blog to read our history and to comment our posts about national & international facts.

(The posts are written in italian, if you don't understand please use Google Translator)

For MAIL4FREEDOM project you have received some accidental publications (our zines or cd, stamps and some).

Fun yourself and read the zine/listen to the music, come and visit us and leave your comment. Then you can disassemble the stuff received, recompose/recycle it as you prefer, and send it to who you want.

Our MAIL ADDRESS IS:  
KIPPLE  
V. CANALE 5/2
