Criteri e modalità di controllo.

Abbiamo condotto controlli a campione sia alla consegna pettorali che sul percorso. Abbiamo focalizzato i controlli sul percorso, nelle zone di Obelisco e Santa Croce. Abbiamo anche verificato i tagli e per l'anno prossimo prevediamo una vigilanza specifica dedicata unicamente a questo scopo. **Il rispetto del regolamento è un atto di rispetto verso se stessi per la sicurezza, verso gli altri concorrenti e verso l'organizzazione.** Se questo concetto non viene condiviso è bene non iscriversi a questa gara.

Siamo solidali con chi si è lamentato di tagli o scorrettezze di altri concorrenti. Abbiamo dislocato più di 100 persone sul percorso e intendiamo aumentare il numero per garantire, oltre alla sicurezza, un controllo ancora maggiore sul percorso. Ci impegniamo al massimo per garantire il rispetto delle regole. **Siamo consapevoli che i nostri controlli non hanno evidenziato tutte le scorrettezze ma ci impegniamo a rafforzarli ulteriormente nella prossima edizione.**

Squalifica per mancanza materiale

E' stata applicata, a discrezione della giuria riunitasi a valutare caso per caso, solo nei casi in cui sono stati riscontrati concorrenti vestiti in modo inopportuno e rischioso per la stagione, senza materiale obbligatorio e che hanno corso in condizioni assolutamente inaccettabili ed ignorando totalmente il regolamento. Le dotazioni non sono dettate dalla lunghezza della gara ma dalla stagione e dal terreno di gara.

REPORTED: denunciati con report firmato nelle ore immediatamente successive alla gara. Corredato di documentazione fotografica. E' seguito un ulteriore controllo da parte nostra. Sono stati presi in considerazione solo i casi inequivocabili.

CHECK - 0/4: risultati sprovvisti di materiale ad un controllo durante la gara.
